NATIONAL PHOTOGRAPHIC INTERPRETATION CENTER		PHOTO INTERPRETATION BRIEF	
Title Kompong Trach, Cambodia Landing Strip and Military Camps (Area Target M-2)	Top Coord.	NPIC/CR-10782/24	
	NPIC Target No.	Ref.	Date
	(1730/00)	None	January 1964

Source: AIC Series L501, Sheet M48-3, 3d ed, Sep 62 (U)
NPIC Project N-3184

Area Target M bounded by UTM coordinates M755801, M755770, M755460, and M755500.

A landing strip and 2 military camps were observed in the Kompong Trach vicinity.

The landing strip, immediately east of Kompong Trach at UTM coordinates M755615, has a 1,550 x 90 ft paved, serviceable landing strip. No facilities or aircraft were observed.

Both of the military camps are double fenced. Camp A, immediately west of the landing strip at UTM coordinates M754615, contains 8 probable barracks, 3 probable administration buildings, 8 small support buildings, and 2 probable AM positions. Camp B, immediately north of the landing strip at UTM coordinates M755621, contains 6 probable barracks, one administration building, 3 support buildings, and one AM position.
